**A Woman's Wisdom — How the Book  
of Proverbs Speaks to Everything**

*Lydia Brownback*

So many of us want a formula: three easy steps to minimize stress. A glance through the book of Proverbs shows us just what we seem to need: short, pithy how-to's in Twitter-like blurbs. But if we approach Proverbs with a quick-fix mind-set, we're going to miss the overarching point of the book, which is getting to know and learning to love the Author of wisdom. We women need practical advice for life, but even more than that, we need hearts set on the One who governs all our practicalities. The book of Proverbs unlocks the key to both. In this four-session event, we will learn from God's Word what wisdom really is.

- ▲ What Exactly *Is* Wisdom?
- ▲ Words, Wishes, and What We Do
- ▲ Christ our Wisdom
- ▲ Learning to Like the Woman of Proverbs 31

Lydia Brownback, author of several books and speaker at women's events internationally, is passionate about promoting biblical doctrine with a high view of God. Lydia works on the editorial team at Crossway Books, and before that she served as writer-in-residence for Alistair Begg and as producer of *The Bible Study Hour* radio program with James Montgomery Boice.
